LOCATION, LOCATION, LOCATION

Thanks to its breath taking beaches, rolling downs, charming villages and dramatic coastline, Gower was declared the UK's first Designated Area of Outstanding Natural Beauty in 1956.

Today, Gower is still every bit as alluring and has truly earned its status as one of the most naturally stunning places in Britain.

Gower's scenery ranges from the rolling fields and salt marshes in the North, to the dramatic cliffs and expansive beaches along the South Coast. Inland, the hills of Cefn Bryn and Rhossili Down dominate the landscape of traditional green fields, valleys and open commons.

Gower's most famous beach, Rhossili Bay, is considered Britain's Best Beach, third best in Europe and ninth-best in the world (TripAdvisor's Travellers' Choice) and is only a short drive from our Rustic Retreat cottages.

With the supermodel of British beaches, cosy country pubs and one of Wales' only Michelin star restaurants on your doorstep, Gower is a highly desirable UK destination for Staycations and Weddings.
